

LEADERSHIP SOUTHLAKE PROJECT: DRAGON EXCHANGE TRAILER

SPONSOR A MOBILE LEARNING EXPERIENCE

Help Carroll ISD Special Programs Students Launch Their Future

EMPOWERING STUDENTS THROUGH REAL-WORLD LEARNING

Our special education students are ready to take their skills to the community! The Dragon Exchange mobile trailer will serve as a pop-up retail space, teaching valuable work-based learning skills while supporting the CISD Booster for Special Programs / Dragons Unlimited throughout the district.

What Students Will Learn:

- Retail sales and customer service
- Money handling and transactions
- Inventory management
- Business communication
- Community engagement

"This project will impact students and staff within Carroll ISD by providing a visible, supportive space that brings the Southlake community together to celebrate and support students with special needs."
